GRETB Aquaculture Special Purpose Award in Fish Farm Techniques

Digital Badges

A digital badge or micro-credential is a practical way of an employee gaining recognition for training they have undertaken for short courses,

1. Screening Salmon for Sea Lice
2. Feed Distribution in Fish Farms
3. Introduction to Biosecurity
4. Seaweed Nursery and Cultivation
5. Oyster Hatchery

25 hours

GRETB Aquaculture Special Purpose Award in Fish Farm Techniques

Learn specialised skills required to work in the modern fish farm.
